

# E-Portfolio Project

*This project is a web page that incorporates all of the projects you have done in this class, as well as valuable assignments in other classes. This portfolio is an electronic representation of you.*

## **REQUIREMENTS FOR THE PROJECT**

**You must have pages and a reflection statement for the following:**

- All About Me HTML
- Google Website
- SPRY Menu Website
- Business Website
- Favicons
- Examples of your Photoshop work (including one from the tutorials)
- Research a web tool not yet discussed and illustrate in portfolio.

**Reflection** – A reflection is just what it says. Reflecting back on the project to talk about what you liked/didn't like, what you learned from the project, what you would have done different and how you could/would relate this to the future.

**You should also include pages for the following:**

- Education Experience
- Your Goals
- Extracurricular Activities
- Awards/Accomplishments
- Reference – You need to include one reference letter
- Contact Information

This E-Portfolio is to test your knowledge of the content you have learned in this class. You should demonstrate in your electronic portfolio your expertise of those areas.

\*\* This project is subject to additional material depending on time allotted for remainder of the year.
